Hatar bin Ismail (third from left), Negeri Sembilan Basketball Association President Dato' Lee Yuen Fong (third from right), Jawatankuasa Naiktaraf DPCB representative Chan Sew Cing (fourth from right) and Gabungan Persatuan Cina Pahang Deputy President Dato' Sri Lim Sing @ Lam Kam Sang (fifth from right).

TEXT:

Pantai FOMEMA & Systems Sdn. Bhd. (Pantai FOMEMA) recently contributed RM50,000 to Negeri Sembilan Basketball Association in support of the development of Malaysian sports. In addition, further contributions of RM100,000 was also made to Gabungan Persatuan Cina Pahang in support of educational purposes and RM50,000 to Jawatankuasa Naiktaraf DPCB.

On hand to receive the mock cheques from Pantai FOMEMA chairman, Tan Sri Mohamed Khatib Abdul Hamid, were Negeri Sembilan Basketball Association (NSBA) president, Dato' Lee Yuen Fong, Gabungan Persatuan Cina Pahang vice president, Dato' Sri Lim Sing @ Lam Kam Sang and Jawatankuasa Naiktaraf DPCB representative, Mr Chan Sew Cing.

Gracing the presentation ceremony was Minister of Health, Datuk Seri Liow Tiong Lai.

“The contributions are part of Pantai FOMEMA’s corporate social responsibility programme in promoting healthy living and development of Malaysian sports as well as to support education in the country,” said Tan Sri Mohamed Khatib in Putrajaya, last Friday (May 27),

Pantai FOMEMA, a member of the Khazanah Group of Companies, is the premier agency responsible for operating and monitoring of the medical screening system for foreign workers in Malaysia.

In collaboration with the Ministry of Health, Pantai FOMEMA identifies and minimises the spread of communicable diseases via stringent monitoring and supervising of the medical examination system for foreign workers.
